Fabrication Specialist – Journeyman Level Job Description

OSW Equipment & Repair, LLC COMPANY DESCRIPTION

OSW Equipment is the largest truck body and trailer manufacturer in the Pacific Northwest. OSW is located in the Maltby area in Snohomish County and has been in business for 18 years. The company is moving into a brand new 112,000 sq. ft. facility in the fall of 2018 and is planning on doubling in growth over the next five years.

Please visit <https://oswequipment.com/> for more information.

JOB SUMMARY

This position contributes to the success of OSW by using various types of saws to cut tube, pipe, flat bar and angle iron as well as using a drill press to help build some of the largest dump trucks and trailers in the West. This will also include using grinders to clean parts free of sharp edges and run shear, press brake, iron worker and other similar equipment.

As a member of the OSW team the Fabrication Specialist will be responsible for:

Essential Duties and Responsibilities:

- Proficient at reading blueprints
- Able to use proper measurement tools to maintain quality
- High attention to detail; excellent organizational skills
- Good communicator
- Efficient with supplies and time
- Collaborative team player
- Hard working and dedicated; willing to work through to completion
- Able to lift fifty pounds regularly
- Good attendance and punctuality
- Able to cope with busy work schedules while distinguishing and balancing priorities

Requisite Qualifications and Skills

- 1 - 4 years of fabricating experience
 - High School Degree preferred
 - Requires bending or twisting, standing, kneeling, crouching, stooping or crawling.
 - Requires repetitive movement and exposure to high places.
 - Includes exposure to contaminants; exposure to hazardous equipment and conditions.
 - Requires working in very hot (above 90 F degrees) or very cold (below 32 F degrees) temperatures; working in environmentally controlled conditions.
 - Requires working in cramped workspaces and getting into awkward positions.
 - Requires wearing specialized protective or safety equipment.
 - Ability to stand for long periods of time and the ability to lift heavy items from floor.
 - Comfortable using power tools, pneumatic wrenches, grinder; etc.
 - Eager to learn, good work ethic, accept responsibility for work performed.
- Must be able to work 40+ hours per week.

POSITION REPORTS TO: Fabrication Department lead

Management reserves the right to change duties and responsibilities set forth herein at any time. This position outlines the basic tasks and requirements for the position noted. It is not comprehensive of all the job duties for the employee. In addition to the above each employee may be required to cross train for position(s) within the company from time to time.

Non Exempt Status –

Compensation Package, DOQ / DOE

- Competitive Wage - DOE
- Health Care Plans
- Paid PTO

Come join a family owned, local team of experienced professional metal workers and fabricators! If you are interested and qualified, please apply now. We are looking for enthusiastic attitudes and team players to join our success.

HOW TO APPLY
